## **Appealing for Community Support**

We proudly call Waltham our home, and we're reaching out to you with a shared passion for our vibrant community. A decade ago, we initiated the Breezers Ball as a heartfelt tribute to our city. What started as a modest celebration has blossomed into the premier community gala in Waltham.

You might recall that we were the last beacon of joy in Waltham before the unfortunate curtain of the Covid lockdown fell upon us. Now, after a challenging 3-year hiatus, our committee has rallied once more with a singular mission — to revive this extraordinary community event. However, the landscape has changed. The costs have escalated, and we understand that our local restaurants, still recovering from the pandemic's impact, may not be able to contribute as generously as before.

We find ourselves at a crossroads — to proceed with the Ball at financial risk or reluctantly cancel it again. The dedicated members of our committee already invest their time and resources, and we've asked ourselves a crucial question: Can we make this happen? The resounding answer is yes, but we can't do it alone; we need your financial support to make it a reality.

This is where your invaluable contribution comes in.

Each and every pledge is crucial. Beyond the acknowledgment at the Ball, your sponsorship will play a pivotal role in empowering Waltham residents to orchestrate a community-supported event. It goes beyond festivities; it's about showcasing the very essence of Waltham — the diversity of its people, the unwavering support of its businesses, and the undeniable strength of our community.

Thank you in advance for being a beacon of support. Your generosity will not only make the Breezers Ball possible but also contribute to the heartbeat of Waltham.

**Pledge amount** \_\_\_\_\_

**Please make checks payable to “The Breezers Ball”**

**Event: The Breezers Ball**

**Date: March 9<sup>th</sup>, 2024 (Saturday)**
